

Stumptown Disc Golf Meeting September 11, 2007

The meeting was called to order at 6:15 p.m.

Wes Hansen read the minutes from the August meeting and they were approved by the members.

Reports & Old Business:

- Web Site Updates: There has been little progress to the web site. Changes have been hampered by poor communication.
- Work Party at Milo: There were 17 volunteers at the work party, most putting in close to 3 hours. The BBQ followed with more volunteers assisting. The rangers were impressed by the turn out and quantity and quality of the work that was accomplished.
- Venturing Crew Update: Minimum cost with minimum members cost is \$120. Venturing organization will provide a certificate of insurance for any event where venturing volunteers are involved. Patrick Buckley will cover the cost of the initial fees for the Hab Rec event. There was some question on whether the insurance will apply for all participants or just for Venturing Crew members. Patrick will confirm who is covered by insurance before proceeding.
- Membership Committee: We are currently at 93 paid members, with a few additional members added.
- Winter Series Event: Wes has been using up his free minutes getting input on a winter series event. Wes read through his proposal attached. It was proposed and seconded to approach the PDGA with a request to run a 'D' tier charity event. The motion died without a vote. It was then proposed, seconded and approved that the proposed tournament directors move ahead with a plan to run a Winter Series Event preferably with PDGA sanctioning.

New Business:

- 2008 Calendar: Jeff Haggerty, brought up a request from the Eugene club asking for dates for Oregon Series events. We will contact them regarding the proper channels to schedule an Oregon Series Event.
- Hab Rec Tournament: Patrick Buckley wants to use the event to promote Stumptown Disc Golf. He offered to provide a table in exchange for some volunteers.

The meeting was adjourned at 7:25 p.m.
