7:25 Steve called meeting to order

Treasure Report

1. We still have \$\$\$. Exact amount not captured.

Membership Report

1. 72 current active members. 130 member numbers have been allocated. It is believed a couple more are pending in Google Checkout!

Old Business

1. Minutes reviewed and approved.
2. SWAG Report- Still a work in progress to get the initial items made.
3. Winter Series Report: 100+ at last event (@Milo, 3/16). Overall the entire series was a huge success!
We should have about \$5000 total to donate to OHSU!
How will we present check to OHSU? Wes H will meet with OHSU rep this week to discuss how to hand over the donation. Idea is to get a photo Op with a big check. Can we get OHSU rep at the next meeting?
4. Bag Tag '08: as of meeting time we have sold 37 tags. Those present at the Milo event on 3/16 got their tags. Jordan will be at Dabney this Sunday selling tags. There is a Tour of Portland event at Dabney on Sunday.
5. Code of Conduct: No update
6. Women's Tourney: No update. Carrie C is be the main contact here. Teresa B expressed interest in helping and will contact Carrie.

New Business

1. Next meeting will be Tuesday, April 8th at 7pm at Next Adventure.
2. Ryan G commented we should have a club flier that we can hand out. This would include info about the club on one side and something else on the other (list of local courses, list of rules, DG code of contact were ideas). Steve C and Teresa B volunteered to work together on content and format to get this ready ASAP. We

should have these posted at Next Adventure and let members have some to pass out on the course as needed.

3. 08-09 Winter Series: Motion made to have a 08-09 Charity Winder Series consisting of five 1-day PDGA events. Motion passed. We will be looking for an overall series director and TDs for the events.
4. Work Party and bag tag Match: Planning this for April 5th at Orchard Park (installing new tee-pads). Mike Phillips to work with city on setting this up. He will post details to website.
5. Club Evangelizing: Idea voiced by Kent S to have club members rally for new members at local weekly events. This idea was met with general agreement. Jeff L volunteered to do this at Orchard Tues 2s, Jordan L will do the same at Lunchtime events.
6. New course possible @ Pleasant Valley park in Vancouver. Steve C has initial approval to design and install a course and is looking for design help. This will likely be a 9 hole course. Tom Embree may be interested. Ryan Wgillim ehas interest in helping as well. April 12 Steve C may hold a series final at this park using temp baskets.
7. Question raised: Should we have a course development committee? No motion made, and topic will be re-visited at a later date if needed.

Meeting adjourned 8:23pm
