Stumptown Disc Golf is a group of local disc golf enthusiasts with the desire to see the sport of disc golf grow in the Portland-Metro area and beyond.

Our desire is to assist in the growth of the sport through a variety of ways:

- Assisting local communities (parks departments, private and public landowners, and government entities, etc...) in the development, instillation, and maintenance of local disc golf courses.
- Hosting or assisting local tournament directors in running competitive events that draw disc golfers from all over the world and encourage sport.
- Assisting and/or running educational disc golf clinics and informational events for people of all ages, skill levels, and backgrounds.

Anyone that is interested in helping to promote disc golf in the Portland metro area. Our members range in both skill and competitiveness. By joining Stumptown you are supporting the effort of those involved in Stumptown by making disc golf a more viable sport, contributing to the development of new parks and maintenance of existing parks, and helping to raise the standard of disc golf in the Portland Metro area.

There are a variety of benefits to being a Stumptown member. Here are a few:
